

Emergency Response Plan (ERP)

Project Location:

Volunteer Date:

Volunteer Time:

Volunteer Contact and Number:

IN AN EMERGENCY, FOLLOW THESE STEPS:

1. Check to make sure the scene of the accident is safe and secure.
2. Send/ have a responsible person to call **911**.
3. Care for the patient until the medics arrive. If necessary, send a leader to accompany them to the hospital.

For smaller incidents, take patient to nearest clinic or facility – directions below.
