South Side Market House

1 Bedford Square, Pittsburgh PA 15203

Food will be provided.

Thursday, Nov 19
6:00–8:30 pm

East Liberty Presbyterian

116 S Highland Avenue, Pittsburgh, PA 15206

Food will be provided.

These forums are designed to gather citizens' input on challenges they face in their communities. At these forums, you will have the opportunity to discuss Pittsburgh resilience with neighbors, city representatives and experts in public safety, public health, and sustainability.

City resilience is the capacity of individuals, communities, institutions, businesses, and systems within a city to survive, adapt, and grow no matter what kinds of chronic **stresses** and acute **shocks** they experience. More information at <http://resilient.pittsburghpa.gov>

What are the key hazards (shocks and stresses) Pittsburgh faces?

High priority shocks include

- Infrastructure failure (transportation, water, energy)
- Flooding
- Hazardous materials incident
- Severe weather

High priority stresses include

- Social and economic disparities
- Environmental degradation (air and water)
- Aging infrastructure
- Aging/declining population
